Dear Friends and Neighbors,

There will be a party. With people. A “Denim Night” in the barn!

But first, in case you have not heard ... The Jones Log Barn Living History Center has officially opened! Twenty years in the making and with generous help from many people, like yourself, the History Center is now open April through October.

In addition to telling the Jones Log Barn story and its rebuilding process through exhibits and displays, the Living History Center is a real farm museum with an array of antique farm tools and equipment. Since its grand opening in April, hundreds of visitors have enjoyed the History Center it was a featured stop on Chester County’s summer Town Tours & Village Walks and we welcomed North American Festival of Wales guests with a private tour and lecture last month. We love sharing the History Center with the community, its residents and with students from the T/E School District with its return of field trips.

Together we celebrate the completion and opening of the Jones Log Barn Living History Center; but we need your support to “keep the doors open”!

We are seeking sponsorships for “Denim Night,” our fundraiser scheduled for **Wednesday, October 26, 7PM – 9:30PM** at the eighteenth-century Federal Barn and Duportail House in Chesterbrook ... plus, the Jones Log Barn Living History Center will be open to tour!

Wear your favorite barn attire and grab a drink, enjoy the food, and listen to the sounds of bluegrass and fiddler music!

Eat. Drink. Mingle. Support.

Our Local History and its Preservation matter more than ever during these challenging times. Please review the attached “Denim Night” fundraiser and sponsor information.

To show your community support by participating in our “Denim Night” sponsorship opportunity, we need your commitment by October 15, 2022.

Hope to see you at the Party on October 26!

Kind regards,

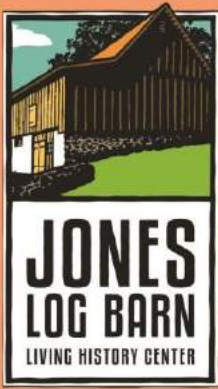

Patty Benson
