In advance of Veterans Day on November 11, the Trust welcomes local historian Bart Van Valkenburgh to its Fall Lecture Series. Presenting “A Salute to Main Line Veterans”, the talk will focus on some of the veterans from our area, as well as many of the veterans organizations active in supporting and recognizing the service to our country by these citizen soldiers.

Bart’s presentation includes stories about local veterans, some famous and many not so famous, beginning with Sgt. Andrew Wallace who first served in the French and Indian War, and leading on to vets who served in more recent times.

*Join us for this lecture as we celebrate our local military veterans!*

*Tredyffrin Historic Preservation Trust is grateful to Duportail House Board of Directors for generously allowing the Trust the use of Duportail House for its Fall 2023 Lecture Series.*
